Event name: Street Cow Feeding at Railway grounds

NSS Unit-I has taken a step forward with a great move i.e. feeding the cows in the streets of Satyanarayana Puram, as those cows could not get the food daily.

Objective: The theme of this camp is feeding the cows in the streets at different places to provide food and water for stray or abandoned cows.

Outcome: This cow feeding camp can help to reduce the number of cows that are abandoned or stray by providing them with food and water. It can help about raising awareness of the plight of cows in need.

I also enjoyed the sense of community that we developed as a group, we all worked together to feed the cows & to keep the camp clean. It was really a rewarding experience.

Sai Bindu: I really enjoyed the cow feeding camp. It was a great opportunity to know about the cows and their starvation and help them out. I also enjoyed the sense of community that we developed as a group, we all worked together to feed the cows & to keep the camp clean. It was really a rewarding experience.
